

Show/Sync™

The Next-Generation Event
Content Management Solution

WHEN PLANNING **CONFERENCES &
EVENTS**, ORGANIZERS **STRUGGLE** WITH
MANAGING & SHARING PRESENTATION
CONTENT

-
- **Lost time**
Endless emails and file searches.
 - **Last-minute changes**
Updates aren't communicated in real-time.
 - **Too many versions**
Which link is the latest one?

CURRENT SOLUTIONS FALL SHORT

Aren't Designed For Live Events
No real-time syncing.

Lack Of Control
Files get lost or outdated.

Security Risks
Sharing links can expose personal or sensitive data.

THE SMARTER WAY TO MANAGE SHOW CONTENT

SHOWSYNC™ STREAMLINES CONTENT MANAGEMENT
IN 3 SIMPLE STEPS

1

Easily Upload All
your Show Content
to a single,
customizable Portal.

2

Your content syncs
seamlessly across
all production,
saving time, energy
and hassle.

3

When your event is
done, all your
content and video
footage is instantly
available to you and
your content teams.

SHOWSYNC IS A GAME-CHANGER

- **Saves time** – No more searching for files.
- **Reduces errors** – Ensures only the latest version is used.
- **Increases efficiency** – Teams can focus on execution.
- **Enhances security** – Your content protected & accessible to the right people.

ShowSync™ allows you to focus on the **Production Value** of your event until the **last minute**.

Show/Sync™

CONTENT FAILURE IS **NOT** AN OPTION.

The **Fastest**,
Most **Reliable** Way
To Manage **Show Content**.
